

FERRARI
MASERATI
OF SEATTLE

GranSport

Overview

The latest addition to the Maserati range is the Maserati GranSport. The GranSport's name alone suggests its eager thoroughbred GT spirit, the kind of spirit that can provide plenty of fun on demand for the driver. The new GranSport is designed to offer an exciting alternative to the current Coupé, and as such, has been treated to a series of new enhancements that give it a very powerful temperament indeed.
